**Re: Club Operational Update**

Dear Club Members,

Over the last few days, we have been monitoring very closely the current situation as it relates to COVID-19, which continues to change rapidly. The most important concern during this time is your health and safety. As a result, effect immediately we have been mandated to make modifications to our business. These mandates include no gatherings over 100 people, with the recommendation of less than ten (10) people, as well as no dining in our restaurant until further notice.

In an effort to continue serving each of you to the best of our ability we will be offering carry out and delivery off both JP's lunch and dinner menus **(Wednesday-Saturday) from 12:00pm-8:30pm, and (Sunday) from 12:00pm-3pm**. To place an order call JP's Bar & Grill at (910) 425-6667 ext. 245. We will also be leaving the takeout window open for golfers and for anyone who chooses to pick up your to-go order from the patio. When placing an order please indicate whether it will be pick up or delivery. All payments methods will be either member charge or credit card. In addition, we will extend this service to all Gates Four residents.

At this time, the golf course will remain open daily for tee times from 8:00am-6:00pm, but all tournaments and events scheduled through the end of the month have been postponed. We encourage everyone to implement social distancing, frequent hand sanitizing, and take the necessary precautions to stay healthy. For additional recommendations please reference the CDC website ([www.cdc.gov](http://www.cdc.gov)).

Over the upcoming weeks if anything changes to our currents mandate, we will provide an update. Thank you for your cooperation, patience, and understanding during this time.

Best regards,

Kevin D. Lavertu  
General Manager
